We-Vibe® Classic

Our most flexible fit...
for endless possibilities

Couples around the world love the flexible fit of We-Vibe Classic. She wears it during sex for extra stimulation to her clitoris and G-spot and together you both share the vibe. Or get creative during foreplay to discover new pleasures.

With the free We-Connect™ app, couples connect in new, exciting ways, whether they're in the same room or on a different continent. She can wear We-Vibe Classic anywhere and her partner can tease and please her from the palm of their hand.

We-Vibe Classic is made with silky-soft, medical-grade silicone. It's body-safe, free from phthalates, latex and BPA and 100% waterproof for easy cleaning. It can be operated using the simple control button, the wireless remote control, or with a smartphone using the free We-Connect app. We-Vibe Classic is rechargeable and comes with a compact, discreet storage/travel case. With 10 modes and the ability to create custom vibration playlists, We-Vibe Classic offers all sorts of new ways to play.
