# Tango **Pleasure Mate™** Collection

The ultimate all-in-one pleasure set

## What's your pleasure — explore, play, discover.

Tango by We-Vibe™ delivers deep, rumbling vibrations right where you want them. Use Tango on its own or pair it with Glow or Dusk for internal stimulation. Glow gets right to your G-spot with its soft tip and firm handle. Designed for your behind, Dusk is perfect for first-time anal exploration.

## The most powerful mini-vibe, now packaged with two silicone forms.

A powerful, yet petite intimate massager, Tango by We-Vibe is designed for precise external stimulation. The narrow edges provide direct stimulation, while the flat area soothes and stimulates with all-over massage.

The Tango Pleasure Mate Collection is 100% waterproof and body-safe. With the 8 vibration modes of Tango and two silicone forms to choose from, variety will become the new spice in your love life. Tango by We-Vibe recharges in just 90 minutes, and the low-power alert lets you know when it's time to power up.

**Pair Tango with a Pleasure Mate** for internal stimulation. Glow Pleasure Mate™ is shaped for targeted G-spot stimulation. Its tip is soft and supple, but the handle is firm to allow you to apply pressure for just the right feel. Dusk Pleasure Mate™ is silky soft and smoothly tapered — just right, for those new to anal exploration. When Dusk is paired with Tango, the rumbling vibrations relax and provide waves of pleasure.
