We-Vibe® Unite™ Couples Vibrator

Couples can experience a new level of passion together with We-Vibe Unite.

She wears it during sex for hands-free clitoral stimulation and the slim, flexible design makes it comfortable for both of you. Use the one-button remote to easily switch between 9 unique vibration modes.

HOW IT WORKS

Unite provides extra stimulation to her clitoris. She wears it during sex and together couples can explore a new level of passion.

RECHARGEABLE

Unite recharges in 90 minutes and lasts for up to 120 minutes of play on a single charge. No costly and wasteful disposable batteries.

ONE-BUTTON REMOTE

The easy-to-use-remote features a single button that either partner can use and it works up to a distance of three meters.

SIMPLE AND DISCREET

The slim and flexible design is comfortable for both partners during sex. It is discreet with its small size and non-phallic design.
