**Touch** — intuitive touchscreen control lets you adjust the vibrations and change intensity

**Tease** — create and save custom vibration patterns

**Turn on** — play with your lover from anywhere in the world

**Play together — even when you're apart.** With the We-Vibe app couples can connect in new, exciting ways, whether they're in the same room or on a different continent. She can wear We-Vibe 4 Plus anywhere and her partner can tease and please her from the palm of their hand.

**The most advanced couples vibrator.** The compact, body-hugging form of We-Vibe 4 Plus delivers strong, intense vibrations. The curved clitoral stimulator follows her body and gently rests between the labia, while the stiff mid-section ensures a snug fit. The G-spot stimulator sits in place behind the pelvic bone, increasing stability and comfort for both partners.
