# Tango X

Powerful bullet vibrator

The legendary bullet.  
Now better than ever.

# What it is

For 10 years, the mini but mighty Tango has been one of the world's most powerful bullet vibrators. Now, Tango X is taking it to another level, featuring a motor that is extremely powerful, vibrations that are more rumble and a shape that is optimized for maximum pleasure, while a newly designed handle offers better grip. Tango X targets your sweet spot with pinpoint accuracy. Petite, powerful and precise, Tango X fits perfectly in the palm of your hand.

# Who it's for

Tango X is perfect for anyone looking to take their play to another level — whether solo or with a partner — while still enjoying the compact, discreet and convenient nature of a mini vibe.

# How to play

**1.** Place the silicone grip securely in the palm of your hand.

**2.** Position Tango X on your clitoris or other erogenous zones and enjoy the deep vibrations.

**3.** Explore different settings and positions to tailor your experience.

# Partner play

Tango X features a silicone grip that fits perfectly in the palm of your hand, meaning there is no limit to the fun you and your partner can explore together.

# How to demo Tango X

- 1 Set the scene** — Paint a picture of scenarios in which Tango X can be enjoyed — bring it into the bathtub, or on a weekend getaway. Used solo or with a partner, the possibilities are endless.
- 2 Power up** — Press the + button to power on.
- 3 Adjusting intensity** — Mention that there are two ways to increase intensity: a) users can hold the + button for a rapid, seamless increase; or b) press the + button to gradually increase intensity ( - to decrease).
- 4 Shape, design and waterproof rating** — Highlight that Tango X has a “pinpointed shape” for deep rumbling vibrations despite its small size. Note that Tango X is also IPX7 rated — meaning it is waterproof and can be enjoyed in the bathtub or in the shower.
- 5 Good vibrations** — Demonstrate the 7 different pattern modes and 8 intensity levels — offering a lot of variety for both solo and partner play.
- 6 Travel lock for discreet travel** — Activate the travel lock feature by holding the + and - buttons at the same time for 2 seconds. Tango X will pulse twice and the device will lock — do the same again to unlock. The travel lock ensures Tango X stays discreet while traveling. Note that the travel lock is deactivated by charging Tango X.
- 7 Power off and charging** — Press and hold the - button to turn Tango X off. Note that Tango X can be recharged via its magnetic charging pins.
