Touch X

Lay-on vibrator and massager

There's nothing this
magical multitasker can't do.

What it is

Touch X is one of the world's most versatile multi-purpose vibrators. It is perfectly sculpted to sensually stimulate your erogenous zones — solo or with a partner — delivering whatever you need, wherever you need it. From blissful clitoral stimulation to deep, rumbly head-to-toe massages, Touch X will pamper your whole body. Soothe your soul with this magic multitasker.

Who it's for

Touch X is for users looking for more functionality than a regular vibrator. Touch X is a massager and vibrator, all-in-one — its unique versatility makes it perfect for both solo and partner play.

How to play

1. Hold Touch X in the palm of your hand and turn on.

2. Enjoy a body massage as Touch X caresses your unique curves.

3. Explore your erogenous zones with Touch X's deep, rumbly vibrations.

Partner play

Touch X is perfect for partner play as its slim design nestles snugly between bodies and its silky soft silicone makes it super comfortable. There is no limit to the fun you and your partner can explore together.

Product and USP descriptions

Magic multitasker

The smoothest vibrator — perfect for releasing body tension, head-to-toe body massages and teasing and pleasing your erogenous zones.

Sensual softness

Touch X's innovative shape feels silky smooth against your skin, while its powerful motor soothes your body with waves of deep, rumbling, satisfying vibrations.

Rumbly waves of pleasure

Touch X has been re-engineered to create the deepest and most rumbly vibrations for intense clitoral stimulation, lay-on pleasures or nestled between partners.

Adapts to every shape

Touch X is perfectly sculpted to adapt to each and every curve and can stimulate any erogenous zone with ease.

How to demo Touch X

- 1 Set the scene** — Go over scenarios in which Touch X can be used. For example, a back or shoulder massage or exploring and pampering erogenous zones, either solo or with a partner.
- 2 Power up** — Press the + button to power on.
- 3 Adjusting intensity** — Mention that there are two ways to increase intensity: a) users can hold the + button for a rapid, seamless increase; or b) press the + button to gradually increase intensity (- to decrease).
- 4 Shape, design and waterproof rating** — Highlight that Touch X has a specially sculpted shape for deep rumbling vibrations that are perfect for targeting any erogenous zone. Note that Touch X is also IPX7 waterproof — meaning it can be enjoyed in the bathtub or in the shower.
- 5 Good vibrations** — Demonstrate the 7 different pattern modes and 8 intensity levels. Mention this provides a lot of variety for solo and partner play.
- 6 Travel Lock for discreet travel** — Activate the Travel Lock feature by holding the + and - buttons at the same time for 2 seconds. Touch X will pulse twice and the device will lock — do the same again to unlock. The Travel Lock ensures Touch X stays discreet while traveling. Note that the travel lock is deactivated by charging Touch X.
- 7 Power off and charging** — Press and hold the - button to turn Touch X off. Note that Touch X can be recharged via the magnetic charging pins.

What testers say

"I just love how versatile it is....perfect for a shoulder massage or something even more intimate!"

"I did start using Touch X as a vibrator — but then I got addicted to the massages, too!"

"I just recently discovered We-Vibe Touch. During Quarantine. Which was a life saver. For real. I am single. But thanks to Touch X, Quarantine worries are no more. This is amazing. Just a bit sad I didn't have it years ago..."
